Drink Plan

Soda, Beer and Alcohol

Our drink program is simple and efficient!
You simply pre-order the drinks you like by the bottle and the bar inventory is yours. We buy back what you don't use.

Why is this great?

- You avoid the high prices of resort and restaurant drinks
- Our bar staff is there to serve you wherever you get thirsty, even down on the beach!
- Special Orders on premium liquors and wines can be arranged with advanced notice
- Coffee and Tea are always complimentary
- All villa tap water is filtered and safe to drink
